## CLAY BRICKS AND PAVERS

### OUR STAFF

#### **MARK BODING – Office Manager**

Mark has been working with us for over 28 years and during that time he has worked in every area of the business. Mark manages our office at Littlehampton and is always happy to share his knowledge on bricks and pavers - from the manufacturing process, to brick sorting, batch composition and brick matching. Give Mark a call on 8391 1855 or email him at [markb@littlehamptonbrick.com.au](mailto:markb@littlehamptonbrick.com.au)

#### **NEIL HARNETT – Marketing Manager**

Neil is our Marketing Manager and he has overall responsibility for our marketing campaigns and communications plans. Neil is tasked with maintaining and developing our relationships with our retail and trade customers and overseeing all aspects of Littlehampton's marketing strategy.

Give Neil a call on 8391 1855 or email him at [neilh@littlehamptonbrick.com.au](mailto:neilh@littlehamptonbrick.com.au)

#### **WAYNE HUNTER – Trade Sales (Adelaide City, North & Country)**

Wayne - a great team player!

Wayne's honest and reliable nature has made him very successful with architects, designers, builders and resellers alike.

Wayne looks after Adelaide city north and country areas.

Give Wayne a call on 0458 506 019 or email him

[wayneh@littlehamptonbrick.com.au](mailto:wayneh@littlehamptonbrick.com.au)

#### **JOE COLEIRO – Trade Sales (Adelaide City, South and Hills)**

Joe - the man of many languages!

With over 40 years in the industry, Joe has the experience and knowledge to assist you.

Joe looks after the Adelaide city south and east regions.

Give Joe a call on 0459 550 006 or email him at [joec@littlehamptonbrick.com.au](mailto:joec@littlehamptonbrick.com.au)

#### **KAREN FOSTER - Sales and Accounts**

Karen is the keeper of the purse strings and another one of our staff with many years of experience at the brick yard under her belt. Highly valued in her role, Karen operates the accounts division in a warm, orderly and calm manner and is a wonderful asset to the team.

Give Karen a call on 8391 1855 or email her at

[karenf@littlehamptonbrick.com.au](mailto:karenf@littlehamptonbrick.com.au)

### **DARREN SLADE ( Digger) - Delivery**

He's the bloke that delivers your order. Helpful he is and grumpy he can get if we give him the wrong address or phone number! Deliveries are usually broken down into three loads. We deliver to town in the morning to give us better access and leave the hills runs until the afternoon. Site shifts are easy to arrange and you can call Darren on 0407 720 309.

### **CAMPBELL MATTHEWSON – Project Manager**

Meet the man who built our new setter machine and changed it over while we were manufacturing. Campbell has been working for us for over 20 years and knows our manufacturing process inside and out. He has a great ear for the machinery and can tell when something is not quite right. Campbell is now our project manager for our building arm. Good on Campbell, a great job well done!

### **PAUL CAVUOT - Yard Supervisor**

Paul is our yard supervisor and has been working with us for over 10 years. His job is all labour intensive and he ensures that each order we pack and dispatch is of the highest quality.

### **ADAM POSSINGHAM - Factory Manager**

Adam is our Factory Manager and is responsible for the fantastic product that we have available. He is easy to work with and very obliging with all of our jobs. He ensures the production is run smoothly, on time & our products are first class. Give Adam a call on 0427 791 583 or email him at

[factory@littlehamptonbrick.com.au](mailto:factory@littlehamptonbrick.com.au)

### **AVTAR SINGH, STEVE TASKER and AMERJEET SABBI**

Avtar, Steve & Amerjeet are our graders. They are responsible to ensure that the bricks and pavers are sorted according to their colour match. They all work hard, are very professional & have a great eye for detail.

### **GRAHAM LITTLE**

Graham works in the manufacturing process and assisting with the setting machine. His talent is also used for the many maintenance & project work in the factory.

Having been with us for many years, Graham's knowledge of the setting machine & brick making process is second to none.
