

Old Red Sandstock Bricks

Littlehampton
CLAY BRICKS AND PAVERS

Character in Clay

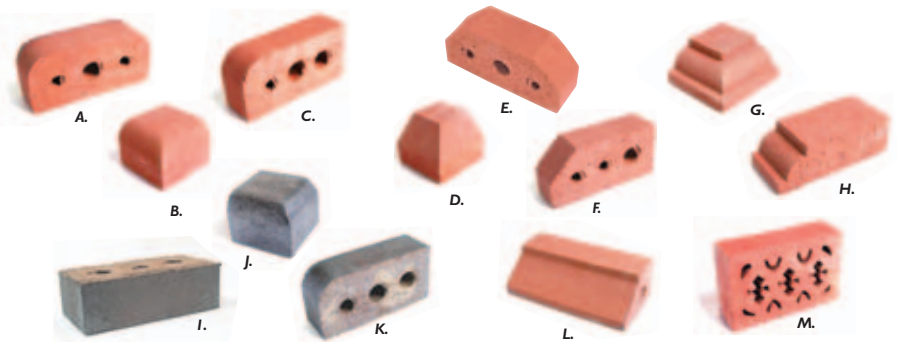

Old Red Sandstock bricks and special profile shapes

Character bricks of a bygone era. Handcrafted earthy clays fired to a deep red that perfectly allow the matching of the old or it's re-creation.

There's no need to compromise when renovating early Architecture with the availability of old red which matches the attributes of traditional Old Red bricks.

Old Red bricks are available in a range or gauges including traditional 76mm sizes with an extensive range of special profile shapes to enhance any project.

Call now for our FREE Brick matching service.
